

United States Senate

WASHINGTON, DC 20510

April 7, 2017

The Honorable Mitch McConnell
Majority Leader
United States Senate
Washington, DC 20510

The Honorable Charles E. Schumer
Democratic Leader
United States Senate
Washington, DC 20510

Dear Majority Leader McConnell and Democratic Leader Schumer:

We are writing to urge you to support our efforts to preserve existing rules, practices, and traditions as they pertain to the right of Members to engage in extended debate on legislation before the United States Senate. Senators have expressed a variety of opinions about the appropriateness of limiting debate when we are considering judicial and executive branch nominations. Regardless of our past disagreements on that issue, we are united in our determination to preserve the ability of Members to engage in extended debate when bills are on the Senate floor.

We are mindful of the unique role the Senate plays in the legislative process, and we are steadfastly committed to ensuring that this great American institution continues to serve as the world's greatest deliberative body. Therefore, we are asking you to join us in opposing any effort to curtail the existing rights and prerogatives of Senators to engage in full, robust, and extended debate as we consider legislation before this body in the future.

Sincerely,

Susan M. Collins
United States Senator
